They are not allowed in this class and can result in being suspended from Pierce College. Ask for help before resorting to these unsavory activities!

**Cell Phones and Beepers:** Please SILENCE these in the classroom! Plan on focusing your full attention on class activities including avoiding texting, Facebook, Instagram, SnapChat, Pinterest, and engaging in off-topic Internet surfing.

**Attendance Policy:**

We will respect Los Angeles Pierce College's attendance policy:

"Only students who have been admitted to the College and are in approved active status may attend classes. Students are expected to be in class on time and to remain for the entire class period. Medical appointments, work, job interviews, childcare responsibilities, etc. should be arranged so as not to occur during class

time. Please do not make requests for exceptions. Any student who has unexcused absences equaling one week's worth of class time prior to census date may be excluded. Students may drop the class online, before the last day to drop. Students should never rely on the instructor to exclude them." (Gen. Cat., p. 21)

Additionally, be sure to follow the course schedule for reading and class assignments; Students are individually responsible for any information and announcements that are missed due to absence or tardiness. Please ask another student for notes.

Dropping the class: It is your responsibility to drop the class if you discontinue coming to class; however, you may be dropped by the instructor if you are not attending class.

### **Foster Youth:**

*We are making a special effort to support current and former foster youths at Pierce College. If you are a current or former foster youth you may qualify for other support services to help you achieve your educational goals. Please contact our Guardian Scholars Program at (818) 710-3323 or send us an email at [guardianscholars@piercecollege.edu](mailto:guardianscholars@piercecollege.edu) so you can get support you are eligible for.*

### **Religious Holidays:**

There are a variety of "religious holidays" occurring during the semester. While these are neither Federal- or State-sanctioned holidays, they ARE days of religious observance that may impact some students in the class. If you plan to miss a class period, an assignment due date or an exam because you will be practicing your religion on a particular day, you need to notify your instructor of this fact by the end of the second week of the semester. Official notification will take the form of a note, written and signed by the student, which specifies the anticipated date(-s) of absence. A student who provides this information by the deadline will be able to reschedule missed exams or work, and their absence will not adversely affect their attendance record. Failure to provide proper notification by the end of the second week will negate the student's option to reschedule or receive credit for missed activities.

### **Campus Safety:**

In Case of Emergency: When on campus, call 818 710-4311 for immediate response from the Campus Sheriff. Do not call 911, as this will result in a substantial delay. Please program the Emergency Sheriff's number into your cell phone contacts.

### **Special Services:**

Students with disabilities, whether physical, learning, or psychological, who believe that they may need accommodations in this class, are encouraged to contact the office of Special Services as soon as possible to ensure that such accommodations are implemented in a timely fashion. Authorization, based on verification of disability, is required before any accommodation can be made. 818.719.6430 Student Services Bldg, 1st floor

**Extra Credit:** A maximum of 40 extra credit points can be earned. You can receive 5 extra credit points for participating on a religious history panel, and/or doing an oral report on your field observation, photo field observation, photo inventory, altered states project or moral beliefs survey. You can do additional class projects (25 points per project) or go to museum exhibitions (listed under class links) for 10 points per exhibition.
