

Quiz #2

**Laws of Chemistry Quiz**

Answer all questions by placing an X in the column that best represents you:

1. I find unpredictable situations exhilarating.

Strongly Disagree  Disagree  Agree  Strongly Agree

2. I do things on the spur of the moment.

Strongly Disagree  Disagree  Agree  Strongly Agree

3. I am always coming up with new ideas.

Strongly Disagree  Disagree  Agree  Strongly Agree

4. I have a very wide range of interests.

Strongly Disagree  Disagree  Agree  Strongly Agree

5. I make plans for things that will happen way down the road.

Strongly Disagree  Disagree  Agree  Strongly Agree

6. I place a high degree of importance on how other people view me.

Strongly Disagree  Disagree  Agree  Strongly Agree

7. In general, I think it is important to follow the rules.

Strongly Disagree  Disagree  Agree  Strongly Agree

8. I tend to be cautious, but not fearful.

Strongly Disagree  Disagree  Agree  Strongly Agree

9. I can see many different ways to solve a particular problem.

\_\_Strongly Disagree \_\_Disagree \_\_Agree \_\_Strongly Agree

10. I am more intuitive than most people.

\_\_Strongly Disagree \_\_Disagree \_\_Agree \_\_Strongly Agree

11. I change my mind easily.

\_\_Strongly Disagree \_\_Disagree \_\_Agree \_\_Strongly Agree

12. I get uncomfortable when I see someone standing alone at a party.

\_\_Strongly Disagree \_\_Disagree \_\_Agree \_\_Strongly Agree

13. I am very focused.

\_\_Strongly Disagree \_\_Disagree \_\_Agree \_\_Strongly Agree

14. think it is more important to do a good job than to have people like me.

\_\_Strongly Disagree \_\_Disagree \_\_Agree \_\_Strongly Agree

15. It takes a lot of evidence to make me change my mind on most issues.

\_\_Strongly Disagree \_\_Disagree \_\_Agree \_\_Strongly Agree

16. I like to cut through the uncertainties to get to the point.

\_\_Strongly Disagree \_\_Disagree \_\_Agree \_\_Strongly Agree

## To Score

Strongly Disagree = 1 (point)

Disagree = 2

Agree = 3

Strongly Agree = 4

Add up the number of points in each of the four sections: 1-4; 5-8; 9-12; 13-16.

Questions 1-4 measure the degree to which you are an EXPLORER.

Questions 5-8 measure the degree to which you are a BUILDER.

Questions 9-12 measure the degree to which you are a NEGOTIATOR.

Questions 13-16 measure the degree to which you are a DIRECTOR.

The two highest numbers are your primary and secondary types.

## *The Laws of Chemistry*

1. T/F Generally people fall in love with others who are similar to themselves.
2. What was uncovered in the sweaty T-shirt experiment?
3. From an evolutionary perspective why might people with distinctly different genetic profiles be drawn to each other?
4. What are the four chemical systems that Fisher believes to be associated with four distinct temperament styles?
5. What are the four personality types Fisher discusses?
6. Which one is the least common?
7. Which one is the most common?
8. Which one are you?
9. Which personality types are most drawn to one another?
